

## LinguaSkill – Automated Proctored Exam

*In order to complete your exam efficiently, the below requirements must be available before accessing your exam:*

<b>Minimum Requirement</b>	
<b>Processor</b>	Pentium III 800 MHz or equivalent
<b>RAM</b>	512 MB
<b>Free hard drive space</b>	4 GB
<b>Screen Resolution</b>	1280 x 1024
<b>Operating System</b>	Windows 7 or later. <b>Note:</b> The Cambridge English Test portal and any tests run through it are not currently supported on <b>iOS</b> or <b>Android</b> devices.
<b>Internet bandwidth</b>	2 Mbps The minimum bandwidth requirements are for each computer running the test. When running multiple tests concurrently on the same internet connection you should ensure this bandwidth is available to each computer.
<b>Adobe Reader</b>	Latest version (must be able to read PDFs).
<b>Adobe Flash Player</b>	Version 26 or later
<b>Sound Card</b>	Yes
<b>Headphones</b>	Over-ear and closed back – the earpieces of the headphones should cover the entire ear, preferably with good padding for comfort.
<b>Headphone connections</b>	There is no preference on plugs (that is, USB or standard stereo) but please note that the use of USB means that appropriate drivers must be installed and confirmed as working before the test day.

### General Requirements:

- You should be alone in a quiet room to achieve the most suitable testing environment.
- You are not allowed to open any other webpages during the testing period rather than the examination page.
- Cheating is a very serious offence, so please avoid any suspicious situations
- Failure to follow any of this regulation may leads to exam's result cancelation

Wish you a **Good Luck** and a perfect examination experience
